name given by Foundation sex:,
breed: age:, colouring.....
neutered/not neutered, date of planned surgery:

3) Date of handover (longterm/ up to:)
name given by Foundation sex:,
breed: age:, colouring.....
neutered/not neutered, date of planned surgery:

Fundacja Koci Zakątek (Fundacja) remains prime carer/owner of the animal concerned and therefore reserves all rights to undertake any future decisions concerning the animal.

- 1) The above animal will be provided the best possible care in the foster home, according to the standards of Polish law and ethics.
- 2) Foster home to the above animal is obliged to:
 - a) not let the animal into outside open space, such as balcony, terrace, yard etc.
 - b) inform Foundation immediately in case the animal is missing
 - c) in case such above, (Chapter 2b), Foster Carer will undertake all possible actions to find the missing animal.

- d) not to hand over the animal to any third party (even friends or family members) without Foundation's permission
 - e) not to hand over the animal for adoption before Foundation would meet (or at least speak on the phone in case of distant places) future carer of the animal; the above applies when Foster Carer is personally involved in selection of adopting person
 - f) cooperate in case somebody sent by Foundation such as photographers, potential adoptive families would like to visit; visits arranged by Foundation prior to foster care time table, but no longer than 3 days ahead
 - g) provide ongoing information about cat's health, behaviour, progress in socialising to the Foundation, which is necessary for adoption process.
- 3) Foundation declares to cover the costs of:
 - a) cat food and litter
 - b) veterinary treatment
 - 4) Veterinary treatment expenses will be covered providing, that the treatment took place in a clinic appointed before by Foundation.
 - 5) The only exception from the above is an emergency situation when no member of the Foundation is available via telephone or e-mail. Foster Carer may attend any clinic available and the cost will be returned.
 - 6) Foster Carer can not decide on her/his own where and how to treat the cat (except Chapter 5) in case of non-urgent situation. If such happens, Foundation reserves the right to refuse cost reimbursement.
 - 7) Any health or behavioral problem should be reported immediately to the Foundation.
 - 8) Foster Carer will provide necessary medical treatment at home, as recommended by veterinarian. In case those recommendations come from a doctor, chosen by a Foster Carer (not a Foundation), Foundation reserves the right to retrieve the treatment, when it is concerned by Foundation to be inadequate or hazardous for animal's life.
 - 9) If any main problem concerning cat's behaviour occurs during foster care period, Foundation will be informed immediately about it. If the case is to take the cat from foster home, Foundation reserves 14 days to find another place for the cat.
 - 10) Foundation can decide to terminate the contract without any notice and take the cat back.
 - 11) When the contract terminates, Foster Carer can not request from Foundation reimbursement of costs, committed during period of foster care, which were not discussed and agreed with the Foundation before, no matter what circumstances of the contract termination would be.
 - 12) **Foster Carer has a right to adopt the cat, but should inform Foundation about such plans in advance.**
 - 13) Every day foster care is provided entirely on the voluntary basis.
 - 14) Foundation will not cover the costs of potential damage done by the cat to furniture, walls, carpets etc during foster care period, neither the costs concerning potential damage to third party properties.
 - 15) If Foster Carer decides to terminate the contract, apart from unexpected sudden private reasons, Foundation reserves the 14 days to find another place for the cat.
 - 16) The above contract comes in two identical copies for both parties.
